PROFESSIONAL OVERVIEW

Versatile professional with experience in **web development (PHP CodeIgniter)** and **internship training**. Skilled in **live project deployment**, **customer support**, and guiding students through real-time technical projects.

WORK EXPERIENCE

Software Developer

Astrowebsolution, Madurai | Jan 2025 – July 2025

- Trained and mentored 100+ internship students in Web Development, PHP, Java, and Data Science, guiding them through real-world projects and hands-on coding.
- Developed and maintained Admin and Student Portals using PHP CodeIgniter; implemented features like role-based access, fee tracking, and responsive UI using Bootstrap.
- Deployed and managed projects on live servers using FileZilla and cPanel, ensuring smooth uploads, updates, and server-side configuration.

Service Engineer

Surya Packaging | 2021- 2022

- Installed and commissioned **packaging machinery** at client sites across various locations, ensuring timely and accurate setup.
- Provided **on-site technical support and maintenance**, improving equipment uptime and reducing client complaints by addressing issues promptly.
- Delivered **customer training and post-installation support**, strengthening client relationships and boosting service satisfaction.

CARRER BREAK

SHRI KUBERAN TIFFEN HOME | 2022- 2024

- Took a career break to support and manage my **family-owned hotel business**, handling front-desk operations, guest relations, and daily administration.
- Developed strong skills in **customer service, time management, and team coordination** while ensuring smooth day-to-day hotel operations.
- Gained practical business experience before transitioning back to the tech field with enhanced interpersonal and problem-solving abilities.
